Operation Highlights

Animal Care

- Developed broiler environmental enrichments for independent chicken producers to further enhance the expression of natural behaviour in chickens.
- Installed Remove Video Auditing in hatchery and Edmonton poultry processing plant in October 2020.
- Remote Video Auditing is used in our hatchery and processing plant to enhance animal welfare.
- Deployed SafeFlight real time digital trailer environmental monitoring in our Alberta trailers.
- Climate-controlled transport trailers are used to protect birds during extreme weather.

Community Support

- Since 2016, ~\$4.1M worth of product donations provided to food banks in Alberta and Saskatchewan.
- Ten per cent of Maple Leaf Foods' total workforce is located in Alberta.

Environmental Initiatives

- Reduced our solid waste consumption across our operations by over 257,000 kg since 2015.

Sources from 6 hatching egg producers, 76 broiler chicken producers, 43 hog producers across the province
