Operation Highlights

Animal Care

- Developed broiler environmental enrichments for independent chicken producers to further enhance the expression of natural behaviour in chickens.
- Remote Video Auditing is used in our hatchery and processing plant to enhance animal welfare.
- Deployed SafeFlight real time digital trailer environmental monitoring in our Alberta trailers.
- Climate-controlled transport trailers are used to protect birds during extreme weather.

Community Support

- Since 2016, ~\$5.9 million worth of product donations provided to food banks in Alberta and Saskatchewan, and \$600,000 committed to projects in Alberta by the Maple Leaf Centre for Food Security.

Environmental Initiatives

- Reduced our solid waste consumption across our operations by over 268,000 kg since 2015.
- Since 2014, our Lethbridge Pork facility has decreased its natural gas intensity by over 21%.

Sources from 6 hatching egg producers, 66 broiler chicken producers, 41 hog producers across the province
