

Alberta Operations

Maple Leaf Foods Inc. is a carbon neutral consumer protein company on a purposeful journey to Raise the Good in Food through making high quality, innovative products by using safe food, humane animal care, and sustainable efforts. Maple Leaf Foods Inc. national brands include Maple Leaf®, Maple Leaf Prime®, Maple Leaf Natural Selections®, Schneiders®, Mina®, Greenfield Natural Meat Co.™, Lightlife® and Field Roast Grain Meat Co.™.

Operation Highlights

Animal Care

- Developed broiler environmental enrichments for independent chicken producers to further enhance the expression of natural behaviour in chickens.
- Remote Video Auditing is used in our hatchery and processing plant to enhance animal welfare.
- Climate-controlled transport trailers are used to protect birds during extreme weather.

Environmental Initiatives

- Since 2016, our Edmonton facility has reduced food loss and waste intensity by 65%.

Community Support

- Since 2016, ~\$7.5 million worth of product donations provided to food banks in Alberta and Saskatchewan, and \$600,000 committed to projects in Alberta by the Maple Leaf Centre for Food Security.

Sources from 5 hatching egg producers, 70 broiler chicken producers.
