Operation Highlights

Environmental Initiatives

- Our Saskatoon facility has reduced its food loss and waste intensity by 25% since 2016.
- We have supported regenerative agriculture practices within Saskatchewan on the farms within our value chain that produce the feed for our animals for the past 4 years.
- 2024 marked the opening of the McLeod Community Garden. The garden is a collaborative effort between hourly and salaried Team Members, with the goal of promoting sustainable, local food production and fostering a sense of community among Team Members.

Community Support

- In 2023, Maple Leaf Foods pledged \$125,000 over 5 years to the Saskatoon Food Bank and Learning Centre.
- Between 2016 – 2024, ~\$6.5 million worth of product donations provided to food banks in Alberta and Saskatchewan.
- In 2024, the Maple Leaf Centre for Food Security granted \$100,000 to the Sîhtoskâtowin project, aimed at supporting Indigenous communities with food access.
